PROTIMETER

Does your Moisture Meter need a service?

Let Martin Lishman take care of it. We are the official Protimeter sales and service agent for the UK. Our service centre is fully equipped to carry out moisture meter service checks to conform with quality assurance schemes. We can also repair and restore many of the older models of Protimeter.

**Just complete this card on the reverse and send your meter to us.
Please include grinder compressor.**

Our basic service charge is £105 + VAT. If any additional work is required during the service we will contact you for authorisation before going ahead with the work.

(Standard return carriage is free of charge)

We reserve the right to change carriage charges without notice. *

Prices held until April 2019
